

Acer palmatum

Japanese Maple

Non-Native

Form - Small tree, typically 10' to 25'. Rounded with low branching

Leaves - Deeply lobed, opposite leaves with toothed margins.

Buds - Terminal bud absent. Bud base is surrounded by a papery, hairy sheathe, kind of like a skirt.

Flowers - Small red to purple flowers. Bloom in umbels.

Bark - Twigs are green and red, trunk is grey. Bark is shiny.
